Recycling Day Changes for Some Waste Pro Customers

Beginning April 13, approximately 1,000 Waste Pro customers in the 32563 zip code solid waste franchise area will have a new recycling pick up day. Impacted customers should receive a postcard notifying them of the change in recycling service days. No other franchise areas of the county will be affected.

Customers can check their service days at <http://santarosa.fl.gov/bocc/solidwaste.cfm>, by entering their home address in the "Who is my service provider" search function. The results will display their pick up schedule for each solid waste service.

Please contact Waste Pro at (850) 365-1900 for more information.
